CAIRO LOCAL NEWS.

RELIGIOUS.

THERE will be the usual services at the Church of the Redeemer to-day, at 10:30 a.m. and 7 p.m. The sermon at the evening services will be addressed to the young women of the city.

Rev. Mr. THAYER will deliver a discourse this morning on the following: "The Doctrine of the Trinity Illustrated." As has already been announced in the city papers, Mr. Thayer will, by request, deliver a second discourse this evening on the prophecies of the Bible, Subjects: "Tyre, Idumea, Egypt." "The Ishmaelites and Damascus." Has a prophecy been fulfilled? Hear and judge.

PERSONALISMS.

—Col. S. S. Taylor is at home again.

—Mr. and Mrs. Irvin are visiting friends at Jonesboro to-day.

—John Dunning, son of Dr. C. W. Dunning, and John Antrim, Jr., are students at the Charleston, Missouri, College.

—Messrs. Geo. Lounsbury, T. W. Watkins, John Carter and Dan. Hogan of Mount City were down to Cairo yesterday.

—Mr. Jewett Wilcox returned to St. Louis yesterday. He will return to Cairo about the first of April, and again become host at the St. Charles.

—At the late election in Pulaski county, Mr. Jas. S. Morris, who was a candidate for county commissioner, received over eleven hundred votes—nearly the whole number of votes cast.

—Dr. Kelley of Monmouth county, New Jersey, a relative of Sheriff Irvin, was in the city Friday and yesterday. The doctor was on his wedding tour, and in company with his bride left for home by the three o'clock train yesterday afternoon.

—Mr. Tom Winter—every body knows Tom—has received from County Clerk Lynch the appointment of deputy. Mr. Winter is an excellent accountant, and as for penmanship has few superiors in this city. Mr. Lynch could not have made a better selection or one that would give greater satisfaction.

—Mr. W. F. Kuchenbecker, clerk at Herman Meyer's tobacco store, has received the appointment of local agent at Cairo for the Teutonia life insurance company, and of the Bismark Bund, vice John Prues, removed. Mr. Kuchenbecker is thoroughly competent to discharge the duties imposed upon him, and will make a diligent and efficient agent.

CHIT-CHAT.

—Weather pleasant.

—Business is just moderately active.

—Religious services will be held in nearly all the churches in the city to-day.

—There is a larger number of buildings now in course of erection in this city than at any one time for years past.

—It is said the Coal trade at the mines in Southern Illinois has within the past six weeks fallen off nearly fifty per cent.

—New stores, groceries, etc., are springing up in every part of the city. The mayor has signed on an average of five licenses per day for the past week.

—The Egyptian Choral society of Mount City, have been rearranging the stage, etc., in Stokes' hall, which is now said to be one of the best public halls in Egypt.

—The German School Association of this city will give a ball for the benefit of the German school, at School's hall on Thanksgiving evening, 27th inst. The friends of the school are invited to attend.

—Mr. Pace offers his horse and buggy for sale. The horse is the finest in the city, combining the qualities both of saddle and harness, in both of which he is first-class. The buggy is a No. 1 top buggy, nearly new. It will be sold at a bargain. Inquire at 65 Ohio levee.

—The work of remodeling the sitting room and bar at the European hotel having been completed, the proprietor, Mr. Harry Walker, last night provided an oyster supper to which a number of his friends were invited. The European is fast becoming one of the most popular resorts in the city.

—Winter's gallery is thronged with visitors daily. It is now in complete running order, nothing lacking nor missing. The work he is now turning out is of the very highest type of photography, and he makes a handsome picture for you in spite of your looks. A visit to his gallery is a temptation to have your shadow caught. We have been so tempted and—"You know how it is myself." Go and do likewise.

—Alexander county having set the example, Perry county has concluded not to be outdone, but will take a hand and go one better in the way of executions. John Feece and George Williams, colored men, for the murder of William Matison, a farmer living in Four mile prairie, Perry county, in September last, were tried last week at Pinckneyville, found guilty, and sentenced to be hanged on the 28th day of the present month.

—The season for putting up heating stoves is at hand, and our stove dealers are kept busy from early morning till late at night. In this connection it may be well to caution those putting up stoves, to look carefully to every flue, and see that no cracks are left open by which means fire might be communicated to the wood-work of the house. By so doing many big scares may be avoided, and no one knows how many houses saved from destruction.

—A night or two since at Scott's saloon a difficulty occurred between an unknown colored man and Mitch Schutes, and another colored man named "Charlie." Mitch and his friend Charlie were jealous of the manner in which the unknown colored man "closhed 'round" among the

girls, and determined to put a stop to it by putting a small quantity of cold lead into his carcass. One shot was fired at him, but fortunately done no harm further than to "scratch the skin a little." Schutes and his partner have so far succeeded in eluding the officers, but their capture is only a question of time.

—Dr. Lavarty, homoeopathic physician, late of Shawneetown, has located in this city and intends making it his home. The doctor comes to Cairo well recommended, and refers to the officers of the First National bank of Shawneetown, to whom he is well known, having practiced his profession among them for years. He solicits a fair share of the patronage of our citizens. Office 149 Commercial avenue.

—Mr. J. Burger, the dry goods merchant, left this morning for New York for the purpose of laying in a new stock of winter goods. Mr. Burger has found it necessary in order to meet his already large and constantly increasing patronage, to seek other, and more commodious quarters. Consequently he has secured the new building now almost completed and ready for use, at the corner of Ninth street and Commercial avenue, into which he will move his stock in a few days. No merchant in the city has more knowledge of the wants of this county than Mr. B., and when his stock arrives it will be found to be one of the most complete ever brought to this market.

—The report sent to several of the papers published in St. Louis, and one or two in Cincinnati, that the first cotton shipped over the Cairo, Arkansas and Texas railroad was consigned to parties in Evansville, is not correct. The first bales of cotton—five in number if we remember correctly—were consigned to Thomas Bros., Commercial avenue near Eighth street, this city. This cotton arrived in this city four or five days after the opening of the road to Greenfield. Later, about three weeks since, Mr. L. H. Meyers, 111 Commercial avenue, received a consignment of thirty bales. The cotton consigned to Evansville parties arrived at this point by the Cairo, Arkansas and Texas road about ten days ago, and was forwarded from Cairo by one of the Evansville packets.

—On Friday morning last, Jerry Sullivan, late watchman on the steamer Illinois, went into John Hagerty's saloon and called for liquor. Sullivan being already drunk, Hagerty refused to give him anything to drink. Sullivan left the saloon swearing he would "get even" with Hagerty, but the latter paid no attention to his grumbling, believing it to be "only talk." Late in the evening, Sullivan returned to Hagerty's and as he entered the door, leveled a revolver at Hagerty, who was sitting at the end of the counter, and fired—Hagerty dodging just in time to let the ball pass over his head and enter the door jam on the other side of the room. Chief McHale and Sergeant Cain, who were standing at the corner of Eighth street, heard the report of the pistol, and going to the saloon, arrested Sullivan. He was taken before Judge Bross, where a preliminary hearing of the case was had. In default of \$1,000 bond Sullivan was sent to the county jail to await the action of the grand jury.

REASONS WHY.—The reasons why Dr.
